Wasco County District Cost Share Reimbursement Rates

Maximum total cost accepted for landowner using own equipment and completing the work. Compensation for contracted work will be reimbursed per DCS policy of no more than half the total project cost up to $5,000

Assume 1/2 the cost is direct fuel related and 1/2 is the base rate.

Revised rate = Base + Base X (Current Fuel/4.68)

REVIEW PERIODICITY: Annually. Update at the June Board mtg. for next fiscal year

$4.68 was diesel pump price in August 2008 when recommended rates were first developed.
