1. Project Proposal – Please describe the resource concern, what will be done & who will do the work. (additional space on reverse side if needed)  
The resource concern involves an accumulation of dead and dying trees on both the North and South sides of the property, surrounded by standing timber that would allow fire to spread rapidly. These dead trees represent a significant hazard fuel. Dead and dying trees will be removed by Western Edge Tree Service LLC.

2. Describe how this project will address the resource concern or provide an overall benefit that this project will provide to the watershed.  
This project addresses critical wildfire risk by removing a large concentration of dead trees that serve as hazardous fuel loads. With now dead and dying trees they pose a significant fire hazard that could facilitate rapid wildfire spread across the property and into adjacent areas

See attached quote for project budget.

Estimated Total Cost: \$ 12,200  
Amount Requested: \$ 6,100  
(50%, UP TO \$7,500) Budget space is provided on reverse side
